BROADVIEW HEIGHTS SOCCER 2010-2011

Broadview Heights Parks & Recreation is offering Munchkin (Ages 4 & 5), In-House (Ages 6 & 7) and Suburban Soccer (Ages 8-13). Registration begins June 1st and runs through **July 24th**. The fees cover both the FALL & SPRING seasons! Age date is 8/01/2010 for both fall and spring.

We are excited to announce the addition of Broadview Heights' resident, Paul Dreisen, as Director of Coaching. Mr. Driesen holds a USSF "A" coaching license and a USSF National Youth license and is also Director of coaching for Shaker Heights. He brings 25 years of coaching experience both in the US and in The Netherlands and has coached at the State and Regional levels for the highly competitive Olympic Development Program (ODP) Youth soccer program. In addition, he has published several articles in professional soccer publications, has written a number of youth coaching books, is a frequent presenter at soccer coaching symposia and gives lectures on soccer related topics. Mr. Driesen will work with ages U8 and above through weekly clinics tentatively planned for Friday evenings. He will also prepare lesson plans and host training clinics for our volunteer coaches. Coach Driesen is hosting a pre-season soccer camp at Broadview Center from July 12th-16th. Camp will be held 9am to Noon, Monday through Friday. Ages: U8-U14. Cost: \$105. Sign-up fast! Enrollment limited! Participants receive a Diadora Camp T-shirt OR a Diadora nap sack! For information and brochure contact Camp Director: Paul Driesen at driesensa@cox.net or 440-740-1464.

Fall session practices for our programs begin at the end of August and games will be played for 6 weeks beginning in September. Teams break for the winter and reunite in the spring for an additional 6 weeks of games in April and May. All games for munchkins and in-house leagues are played at fields within Broadview Heights. Games are played Saturday mornings and early afternoons. The Suburban league has home games in Broadview Heights and travels to away games in nearby communities such as Macedonia, Brookpark and Parma Heights. These games may be played weekdays or weekends. Anyone aged 8 to 13 interested in playing soccer on a recreational level, is recommended to register for our Suburban Recreational Soccer League. We have also formed a partnership with the Bees Travel Soccer Association (formerly Brecksville Travel Soccer Association), to offer a travel option for our residents. *Please visit the BTSA website at www.btsasoccer.org for more information on travel soccer. The tryouts for fall are being held the first week of June.*

As an added safety precaution, we are also adding mandatory background screenings for coaches this year. ***VOLUNTEER COACHES NEEDED!*** Please indicate on your child's registration form if you are willing to coach. There is also a section on the registration form for special team requests. Please note that these are NOT GUARANTEED and refunds are not given if requests are not able to be granted. **Registration Deadline is July 24th, 2010** and absolutely no refunds will be given after this date. For additional information about Broadview Heights Soccer please contact Athletic Coordinator, Gary Diehl, at 440-717-4063. **Activity #2402.**
